

# God's Eternal Plan

## Purpose and Introduction

### I. Purpose

- A. To sharpen our awareness of the "big picture" in order to operate out of God's mind and heart:
- B. To put our lives on pivot by asking and answering the five eternal questions of life as revealed by God through Jesus Christ.

### II. The Five Questions

- A. Where did I come from?
- B. Who am I?
- C. Why am I here?
- D. What is life all about?
- E. Where am I going?

### III. Introductory Statements

- A. If it's not practical it's not spiritual.
- B. A person's world view is shaped by how he answers the above mentioned five questions.

### IV. Principles

- A. Word can be interpreted at least two ways
  - 1. As list of rules and regulations
  - 2. In light of God's sovereign purpose
- B. A person's world view is established by how he understands God's purpose.
- C. Purpose for anything is its intended use. Unless we understand the purpose behind our existence, we can do nothing but ABUSE our lives.
- D. All wisdom must come from God. He cannot be known apart from revelation.
