B. Old English - \_\_\_\_\_ - the ascribing of \_\_\_\_\_ to the object of our worship.

C. Fuchsia Pickett, in "*Worship Him*", © 2000 by Fuchsia Pickett, Creation House - "The biblical pattern of worship is based on the surrender of the heart to the lordship of Christ. Without the heart reality of obedience and submission to the Word of God, we will never experience true worship in spirit and in truth....According to the scriptural pattern, this is the fundamental essence of worship: I bow my heart before God Almighty and acknowledge His supreme lordship over my life. The divine essence of worship is realized through total surrender of the worshiper to the One worshiped. Only as we choose to acknowledge God in all our ways (Proverbs 3:6) and give Him control of our lives and destinies can we become true worshipers of God."
