

Merry Christmas!!

December 13, 2018

As another year comes to a close, we both want to wish all a VERY blessed and wonderful Christmas!!! May it be the start of a new season in life and in each walk with God!

In these days of pervasive bad news and uncertainty, we can remind ourselves that there is some REALLY GOOD NEWS: Unto us was born this day in the city of David, a Savior who is Christ the Lord. (Luke 2:11). Christmas is an opportunity to celebrate this good news and shout it from the rooftops!

How comforting it is to know that Jesus the Christ, the Lamb slain from before the foundation of the world, not only set aside His divinity for a period to enter our world in troubled times, but endured much and sacrificed Himself so that mankind could enjoy the righteousness, peace, and joy that comes from knowing God! His coming was announced and revealed to us through the Scriptures, and is continually validated in modern times that we might walk together with Him through whatever turbulence this fallen world may experience.

As we celebrate His birth (regardless of the actual date it occurred) let us not forget that He wasn't just born for us. He also lived for us, died for us, rose for us, prepared a place for us, and will return for us!!

He has empowered us to love Him with all our hearts, and to extend that love to others. His passionate desire is that all of mankind, even those who have chosen to reject Him, would be transformed by His inexpressible love ... and that we might truly experience peace on earth and goodwill towards all men.

In our ministry travels this year, we have seen and felt His heart for mankind in increasing measure, His *love* for those of *every* tribe, nation and tongue. For

Merry Christmas!!

God so *loved* the *world* that He gave ... (John 3:16). He gave His all that we might receive all that He has and all that He is. ❤️

We also send New Year's blessings to each and every one, dear friends, and pray that 2019 will be a year of *true and undeniable* transformation in lives, families, communities, regions and nations! We pray that a divine exchange will be seen in every quarter – and that as a result, a fresh release of His life, His passion, His love, His grace, His strength, wisdom, discernment and His glory will be seen and experienced in the earth!

Many thanks to those who have lovingly sent cards, and apologies that we won't have a chance to get any out this year. We just returned from one trip and are leaving again shortly. However, we send heartfelt Christmas blessings and prayers with this letter!! May the JOY of Christmas and the celebration of His birth fill your hearts and homes as the door to 2018 slowly swings shut.

With much love and hugs,
